- There was a proposal on the floor that stated that we needed to ask the groups to allow the line hugging for the newcomers. This proposal was not entertained due to each group being autonomous and this body not being able to dictate what each group does. There was still some discussion on this issue.
- There is a proposal on the floor to have an activity in conjunction with the H & I Learning Day in September. The proposal was modified to state that Conscience Contact would host with Area providing the funds for that function. **Consensus**
