Since region was just held yesterday, more info will be provided during next ASC meeting. Tom requests to create an ad-hoc committee. Megan says this needs to be tabled to new business.

**H&I:**

- Last subcommittee meeting: 5/15/22 via Zoom, six in attendance
- Comments/concerns/questions: After today, we have 9 books left to disperse to Cenikor clients. We would like to purchase 50 white booklets for SATF clients. We still have 35 shirts for sale. FCI orientation @ Three Rivers prison at 10AM on June 9. All panels could use support but otherwise doing well. Need panel leader for SATF male and Cenikor detox female.
- Accomplishments/goals: Turning in \$195 from t-shirts. This is minus \$80 for the cost of supplies (pinatas) for Spring Fling. Spending \$45 on white booklets bringing my total to Area \$120. Fourth of July event @ Water's Edge Park after 5PM. We are working on getting back to Shoreline Taft and Bayview as well.
- Chairperson: Tiffany V.
- Submitted by: Tiffany V.

**PI/PR:** Paul thanks ASC for voting him back in. There are schedules printed but Paul does not have access to the BMLT yet and therefore is unable to update the schedule. Megan has been updating the schedule. Paul has requested log-in credentials from Tom K. Paul has made flyers for upcoming events and asks GSRs to take flyers to their groups. Member of the community in Beeville reached out to ask if this Area wants to purchase/rent a booth at an upcoming mental health event. Paul wants to know if this Area will approve \$50 for him to rent a booth. Tom asks how much money Paul needs. Paul has requested PI/PR materials be returned to him from the former subcommittee chair. He states he doesn't know what Nora has that has been unused. Lidilla says that Nora would give away all the IPs she got and did not keep them in stock. Megan reminds Paul that he has a budget, Lidilla points out that Paul does not need our approval to rent the booth since it's in the budget and does not need our permission to do the event since he is the subcommittee chair.

**PHONELINE:** absent without report

**ACTIVITIES:**

- Last subcommittee meeting: n/a
- Comments/concerns/questions: I am new to this and currently working on forming a committee of individuals who are willing to be of service. Everyone has been very helpful in letting me know about our usual calendar events. Currently there are no activities planned for the coming month.
- Accomplishments/goals: To put together a subcommittee and start having monthly regular meetings for activities.
- Chairperson: Jolene R.
- Submitted by: Jolene R.

**LITERATURE:** Good afternoon CBANA! Our current balance for the account is \$1570.06. We have 1 check that will be written today. It is for the last literature order. Also NAWs has sent notification of some significant changes that will affect everyone. With these changes we will have no choice but to follow suit as necessary. (Email attached).

Thank you for letting me be of service!

Lidilla R.

#### OUTREACH:

- Meeting place/date/time: 1106 Salem Drive as needed
- Comments/concerns/questions: Matt M says: "I have nothing to report. I am really under the weather. Would you please pass my message on to Area? I might have receipts from last month, but I'll bring them next month. I love you all and thank you all for your service."
- Itemized monthly expenses: receipts pending
- Chairperson: Matt M.
- Submitted by: Ryan Z.

Lyman asks if anyone is covering for outreach, Ryan reports that Matt does not have anyone helping. Lyman asks groups to announce that outreach needs support.

**POLICY:** Megan has no policy changes or updates to report, but has created a quick reference guide for policy. She asks if this body thinks the QRG needs to be added to policy, consensus is no since it is basically a "cheat-sheet" and is consistent with current policy. Stephen reminds Megan that policy does need to be updated to include proposal that passed last month which would remove the activities subcommittee from the list of self-supporting subcommittees.

**OLD BUSINESS:** Surrounding CBANA events coming up: Texas State Convention May 27 -29 Register online at TSCNA.org. Jimmy K's family Reunion & Annual Fish Fry April 30<sup>th</sup> at Grace Presbyterian 3604 N. Ben Jordan St. Victoria, TX.

Tiffany V requesting proposal for \$299.20. RBS.org pre-registration May 31<sup>st</sup>; Please announce in meetings. RBS Hospitality asking for 2<sup>nd</sup> basket be passed for donations for all groups. Open Slots for volunteers to help serve food for state convention. Get hold of Chair: Robert R. Registration and pre-registration needs volunteer help. RBS Committee also needs more service work. No clean time required. Outreach in McAllen Tx needs female support upcoming for area. Richard T. never got toner? Jason B. needs to schedule to get on bank account. Also, Jason needs P.O box key. Cenikor Meetings are being moved to open from closed meetings, bring support. Cenikor needed to be added to schedule for Wednesday night at 6pm. Need more tables for Clubhouse. \$165 Motion was taken for Lyman to get and bring tables for the clubhouse.

1. Paul's proposal that was tabled last month: *Start a Banner (FLAG) wars again. Capture the flags from groups. Purchase Flag and Stand. CBANA logo and N.A symbol still in question. Tabled to bring back to groups, how many participants needed to capture flag?*

Today's discussion:

- Part one of the proposal: Vote to purchase flag.
  - Paul says price is \$130. Lyman proposes NA symbol on one side, CBANA symbol on the other side. Tom M makes motion to make flag with symbols on both sides. Ryan seconds the motion. Motion passes.
- Part two of the proposal: How many participants per home group are required to capture the flag?
  - Tom M. proposes 3 home group members, Ryan Z. seconds motion, no one opposes, motion passes.

- Capture the flag will be started.

2. Stephen's proposal that was tabled last month: *Add a budget to activities committee and/or put a cap on monthly allowance per event. Jason B needed to do more research on needed bank information.*

Today's discussion:

- Stephen proposes to strike the above proposal/statement from the April minutes altogether.
- He clarifies that the proposal that passed last month was to remove activities from the list of self-supporting subcommittees and add activities to the list of subcommittees who have a quarterly budget
- The incorrect proposal from April's minutes will be removed

3. Megan's proposal that was tabled last month: *figure out who provides toner & paper for Area and add to policy*

Today's discussion:

- Tom M. proposes that toner & paper be purchased via ASC admin budget and it is ASC admin's responsibility to make sure toner and paper are stocked. Ryan provides a print-out report from the copy machine that shows how many copies were actually made. Tom M. suggests that we wait until new business for more to be revealed regarding paper & toner.

**NEW BUSINESS:** While establishing quorum, it is noted that not many GSRs are present today. Paul suggests forming an ad-hoc committee for someone to reach out to groups to remind them of ASC. Megan adds that she has gathered email addresses for GSRs for each group so they can at least receive the minutes. Paul's idea for ad-hoc is moved to new business. Lidilla proposes removing groups from the meeting schedule if they don't show up to Area. Tom indicates that policy can't be changed until July. Proposal to remove groups from the schedule if they don't attend Area will be tabled until July.

Tom M. proposes to create an ad-hoc for budgets and timelines for all committees. In that budget/timeline, a spreadsheet will be created that shows when ASC pays for what and when it is paid. The objective is to find out how much each subcommittee spends on quarterly expenses so we know what to set aside every year to keep for the Area. Tom reminds subcommittees that they are required to submit quarterly budgets next month (June). Tom is asking for ASC permission to create the ad-hoc. Stephen seconds the motion.

Jolene asks for more info. Tom explains that we are going back two years to track expenses so we know how much to keep in the Area account to cover expenses. Lyman reminds us that in the past, the Area has sent too much to Region and then we end up short as an Area. The hope is to have this ad-hoc committee's goal accomplished before RBS funds are divided up this year.

There are no objections to creating the ad-hoc committee for the budget. Tom invites any interested member to participate in the budget ad-hoc committee which meets on Sunday evenings at his house.

Paul proposes an ad-hoc committee to remind GSRs about ASC and/or act as liaison to groups. Megan indicates that per policy, facilitator and co-facilitator are designated as liaisons between ASC and groups. Megan educates Lyman on utilizing email address [gsr@cbana.org](mailto:gsr@cbana.org) as a way to reach all GSRs. He is willing to take on the responsibility of reminding GSRs about the ASC meeting prior to the ASC meeting.

During group reports, Megan asks Seanette if the New Beginnings group (Wed/Fri 7pm) is meeting. She states the person who was there last week did not even know the name of the group. The person who was involved in starting the meeting is unavailable for an indefinite period of time. Tom suggests that outreach attend the meeting, Seanette says they have been out there. She says the Monday meeting (No Matter What group) is going strong, but the Thursday meeting has been discontinued. Paul says what we have done in the past is to make a flyer for the group that is struggling and provide helpline info to community agencies. Stephen suggests sending a trusted servant to the meeting to offer to guide them the NA way. Lyman would be able to attend on Wednesday. Megan & Stephen are willing to attend a Friday meeting. Ryan also volunteers to attend.

Megan makes a motion that June's ASC meeting be held on the 4th Sunday of the month due to Father's Day (which is the 3rd Sunday in June). Ryan seconds the motion. No objections to having the next ASC on 6/26/22.

Close meeting 4:09PM

***THIS IS THE EMAIL REFERENCED IN THE LITERATURE REPORT:***

Mon, May 9, 2022

Hello,

We are writing to announce several things:

- A price increase is scheduled for 2023
- The 60th Anniversary White Book is available for sale
- *A Spiritual Principle a Day* was approved at WSC 2022

**Price Increase**

We wish it was not necessary, but costs of production have risen so dramatically that we believe scheduling a price increase is prudent. Effective 1 January 2023, the price of all books and bronze medallions will increase 12%.

We are not recommending increases on the materials our NA groups most frequently give away, even though our costs have increased substantially on these items as well. That means there will be no increase to the current prices of IPs, booklets, keytags, or chips. This feels the most helpful way to show that we are all in this together and to do what we can to ease the burden on groups. For more information, please see the memo posted at [www.na.org/webstore](http://www.na.org/webstore). Again, we wish this were not necessary.

**60th Anniversary White Book**

At last, the 60th Anniversary White Book is available for sale. This special edition collects English translations of all 85 stories in the 13 language versions that have local personal stories plus the eight stories in the English Little White Book. It's a handsome volume, and at \$15, it makes a great gift. Heck, buy yourself a present! Click here to order, or search for item #1501 at [www.na.org/webstore](http://www.na.org/webstore).

**SPAD is Approved Literature**

We have a new book on the way! *A Spiritual Principle a Day* was approved with consensus support at the 2022 World Service Conference. As is our typical practice, when the new book was approved, we removed the approval draft from the website. It can take around six months for production of a book after it is approved by the World Service Conference. In the meantime, we intend to begin offering a free daily email subscription as we do with *Just for Today*, soon. As approved literature, *SPAD*, can be read at a group level.
